

[I filed a Motion to Redact Previously Filed Document and paid the filing fee, now I want to amend that Motion. Is a new filing fee charged?](#)

Answer:

If your amended Motion to Redact Previously Filed Document **does not** include additional documents to be redacted, there is no additional fee due.

A new Motion to Redact Previously Filed Document should be filed if your amended motion includes additional documents for redaction that were not identified in the first Motion, and the appropriate fee should be paid.
